

### NBA FINALS GAME 3 PROPS SHEET

Our in-house oddsmaker, Sean Koerner, watched Game 2 at Legends Sports Bar in Long Beach, California. He did what any decent person would do and printed out our props sheet for some of his buddies to play. Apparently the manager is also a decent person, because he loved it and printed out 100-plus copies and had the whole bar playing, with free drinks to the winner. From Sean: "The place went nuts when Nick Young bricked yet another 3 in the final minute to settle the 'Will Nick Young make a 3-pointer?' prop." If you don't print out this Game 3 props sheet and create some side action at your local bar, what are you even doing?
